OLD BUSINESS:

Survey to Parents: Dan Keck advised nothing more has been done since we do not know how to proceed.

Status of Revised School owned equipment/instrument list to the school board:

Mrs. Price indicated the school instrument inventory list is very large & will require time to identify each instrument. Ryan Whitescarver suggested in the future keeping our own list & updating accordingly.

License Plate Fundraiser: Officers designed and decided on License Plates as a fundraiser. Brenda Rowe indicated Logan Screen Printing proposed \$8/per plate while Hawk's Nest was \$15/plate. Officers decided to order a quantity of 15 each (of Purple and White) to see how well they sell at \$15.00 each.

Uniform List Sent to Board Office: Brenda Rowe confirmed this has been completed

Rent to Own Raffle: Chris McCarty spoke with Rent to Own representative and they have agreed to once again support the band by donating either a 55" TV or Laptop. It is the Booster's decision in regards to the item to raffle. Chris McCarty suggested taking a vote as to which item to raffle. The Rent to Own representative indicated if no spectators are allowed, suggested selling tickets at the store and other locations throughout Logan.

Background Checks for Chaperones & Volunteers- Heidi Rimkus suggested as secretary to start retaining finger print and background check documentation so the Officer's may have a better understanding of who is qualified, current, expired, or about to expire. In addition, the Head Chaperone will be asked to provide Secretary with all completed fingerprint and background documentation for all chaperones. Brenda Rowe made a motion for the implementation of Chaperone double checking system. 1st Motion to accept: Sue Addington 2nd Motion to accept: Leanne Bennett

Concession Planning Meeting: Has been set for Thursday, August 13th

Tentative Fundraisers: Have been accepted by the School. Received email confirmation from Cindy Cook at the Board office.

COVID 19 Waivers: Do we need to have volunteer parents sign the COVID 19 waiver? Mrs. Price to find out.

New Business

Senior Banners: Seniors decided to go directly to Wendy Wilson for the Banners this year. \$50 each.

Fall Festival of Bands: Mrs. Prices suggested this event be cancelled this year.

Band T-Shirts & Motto: No motto has been chosen yet per Pam Price. Brenda Rowe suggested orders only this year and no bulk buying in an effort to keep the boosters costs down this year.

Hocking County Fair Update: Chris McCarty indicated the Fair Board is having a meeting on Tues 8/10/2020 so we should know more details regarding how many food vendors plan to attend. The Fair Board will have Arts & Craft Exhibits with Free Admission. Mrs. Price indicated students cannot work the food booth at the Fair. She will confirm with Theresa Schultheis before the Concession meeting on Thursday.

Zoom Meeting held with Mattress Sale Representative @ 7pm: Mattress Sale representative discussed new fund raiser program VIP Bonus Rewards.com. Using the App Score Board, discounts are offered to card holders for various businesses such as Target, Kohls, etc. Cards are sold by students for \$20 each with the Band making \$12 per card. Brenda looked up businesses in Logan area and noted there were very little, however, Lancaster offered a great deal more retailers on the list. It was decided further discussion was needed before a final decision could be made.

Mattress Sale: Due to the pandemic, the Mattress Sale is possible this year and suggested rather than having the sale at the High School, conduct the sale at an indoor public venue such as the Fairgrounds as an example. The representative agreed to pay the fee for the venue as long as it was reasonable. Board further discussed whether to have the Mattress Sale this year. Mrs. Price felt we should cancel this year. Brenda Rowe felt this was a good fundraiser since the boosters didn't need to do much additional work. Mattress Representative mentioned due to COVID-19, more people are staying at home and making improvements to their homes. As a result, consumers are buying more mattresses. Heidi Rimkus suggested marketing in the Hocking Hills Tourism Newsletter as Cabin owners & operators may show an interest. Sue Addington also suggested marketing in newsletters such as Logan Town Center & Chamber. Brenda Rowe also suggested reaching out to Worthington Hotel for Mattresses. Heidi Rimkus agreed to speak with Larry Gerstner in regards to the Worthington Hotel's mattress needs.

Chris McCarty made a motion to adjourn meeting.
